DETAILED ACTION

The examiner has decided to withdraw the restriction and examine the entire application since the method claims containing same allowable subject matter as the apparatus claims.

Reason for allowance

Claims 1-24 are allowed over the prior art.

The following is an examiner's statement of reasons for allowance: Prior art fails to teach the combination features the contacts being arranged such that the sum of the sideways wipe the forces caused by compression of the first component to the interconnect device approximately equals zero; the second plurality of contacts of contacts on the lower sides of the frame for connection to the contacts of the second component, and with the rest of the claims limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
